Is your child stressed or anxious? Come join the fun at the first Davis Drive Elementary Parent Academy. This exciting event will be an opportunity for you to attend informational sessions to learn how to support your child socially, emotionally, and academically.

In conjunction with our Parent Academy, DDE will be participating in the WAKE Up and Read Program. Help us support their goal to collect 110,000 books for area schools, community centers, and childcare facilities.

Please donate new or gently used books that may be ready for a new home. *Please bring your books to school and fill our collection boxes starting January 21st.* We will also be collecting books at the **Parent Academy**.
